

GORE LAYOUT - ALL 20 GORES (developed) - 2,610 m3

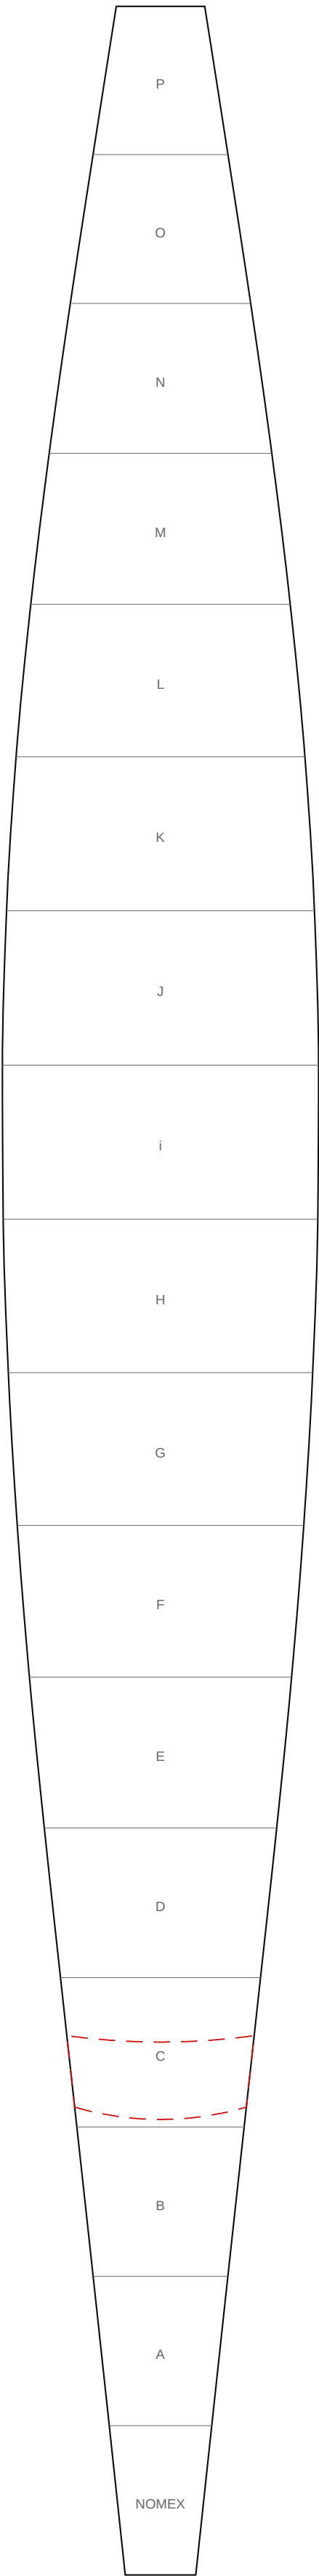

full-size master patterns (no scaling) - gore length 22.83 m - 17 rows - mouth O3.988 m - face = gore 1 | drawing scale 1:55

red = eyes / mouth / feed holes / antenna bases - orange = turning-vent units (gores 15-17, rows i-J)
scale drawing only (2808 mm widest gore shown as 51.5 mm) - cut from the 1:1 panel templates

GORE 1

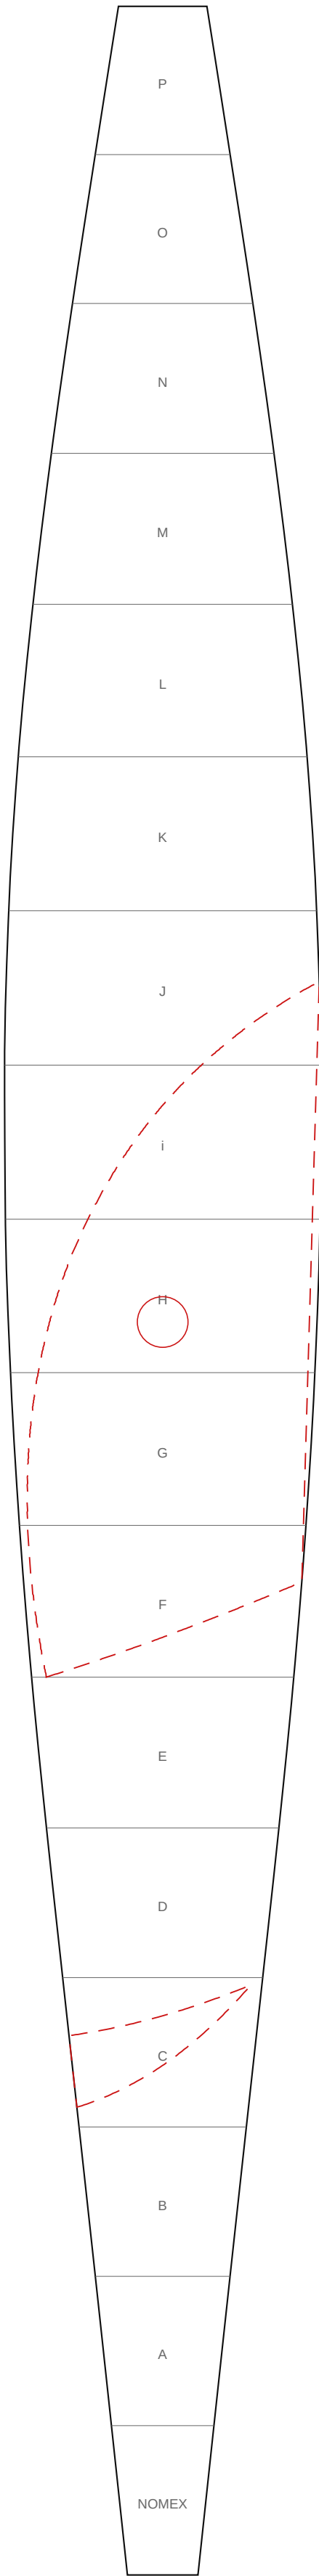

- FACE centerline gore; mouth crescent center piece on panel C

scale drawing - cut from the 1:1 templates in this pack

GORE 2

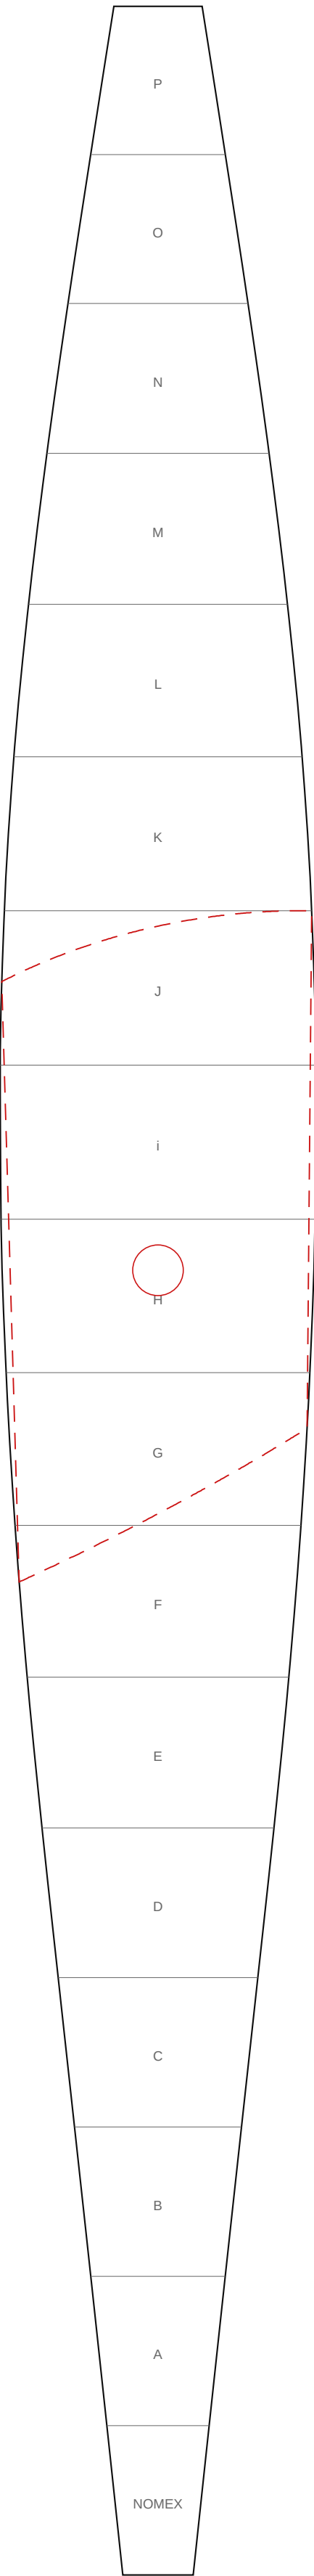

- mouth crescent end piece on panel C
- RIGHT eye pod rows F-J (mirror)
- eye feed hole: panel H, 450 mm up, O450/O500

scale drawing - cut from the 1:1 templates in this pack

GORE 3

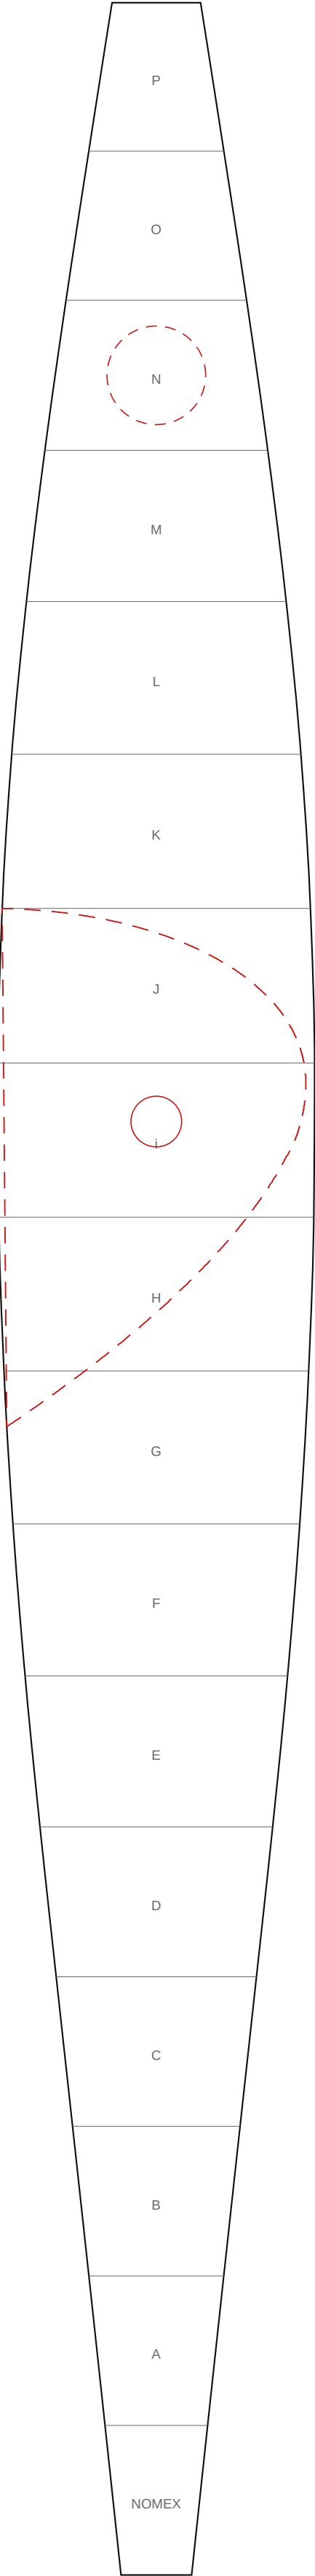

- RIGHT eye pod rows F-J (mirror)
- eye feed hole: panel H, 910 mm up, O450/O500

scale drawing - cut from the 1:1 templates in this pack

GORE 4

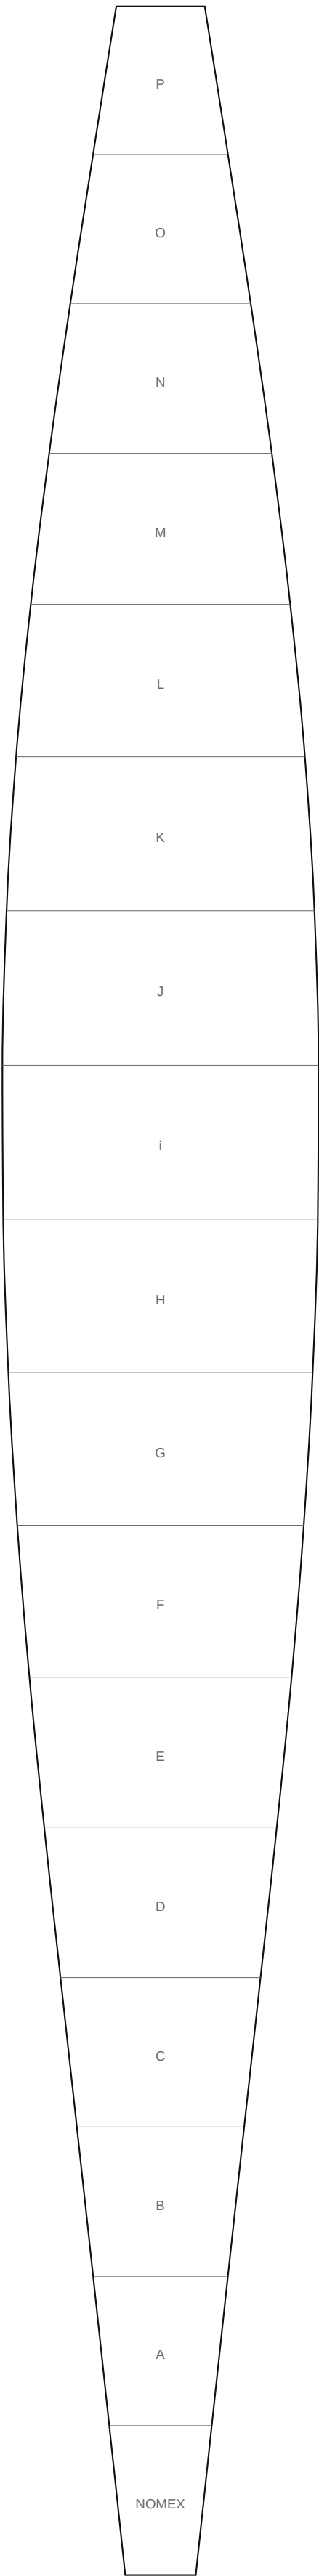

- RIGHT eye pod rows F-J (mirror)
- eye feed hole: panel i, 850 mm up, O450/O500
- antenna base row N: patch O875, hole O575/O625, lean 35 deg outboard

scale drawing - cut from the 1:1 templates in this pack

GORE 5

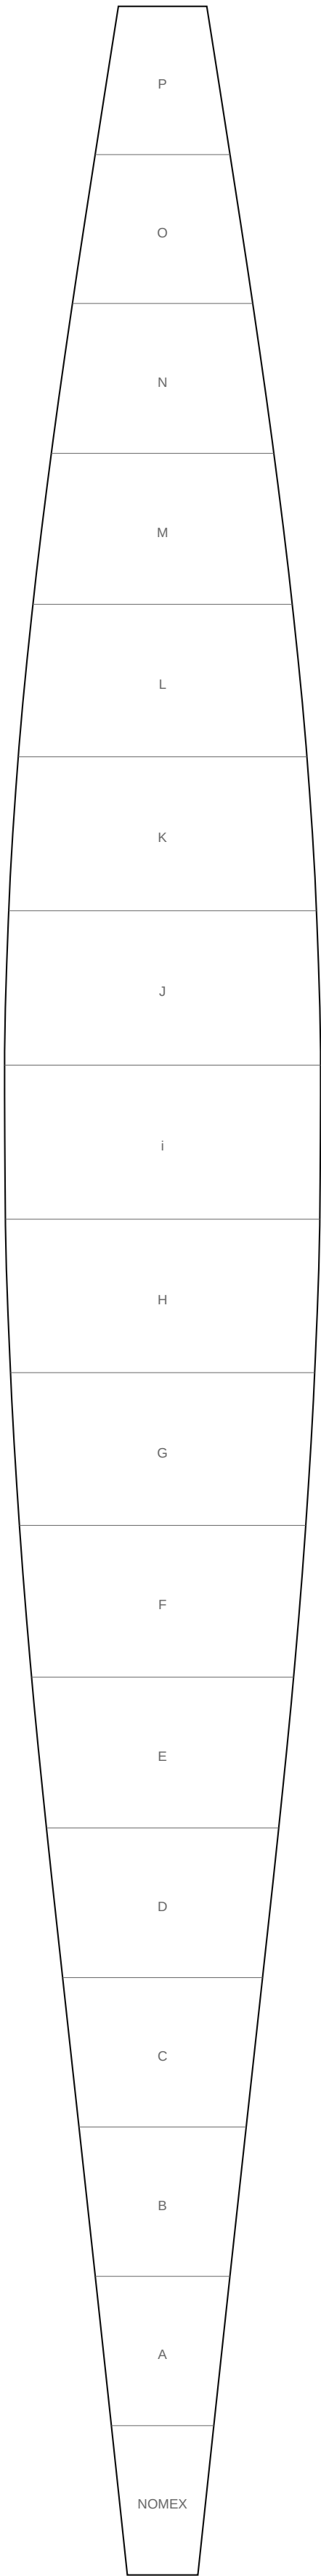

- plain green gore - no features

scale drawing - cut from the 1:1 templates in this pack

GORE 6

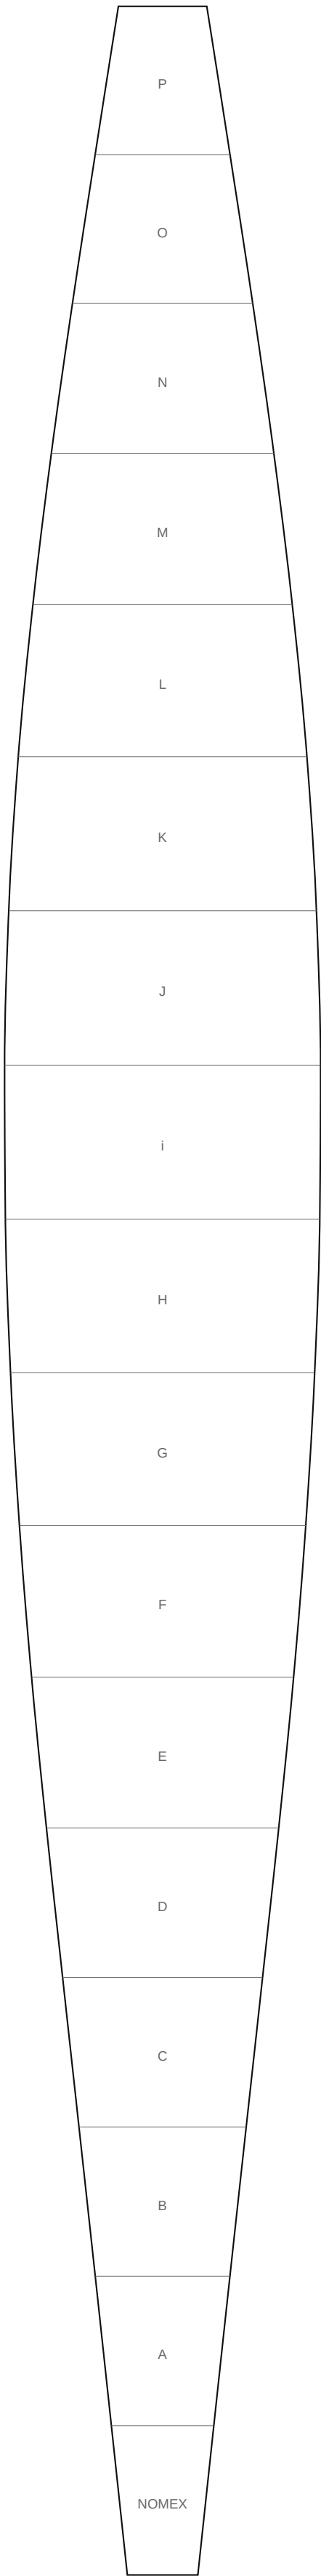

- plain green gore - no features

scale drawing - cut from the 1:1 templates in this pack

GORE 7

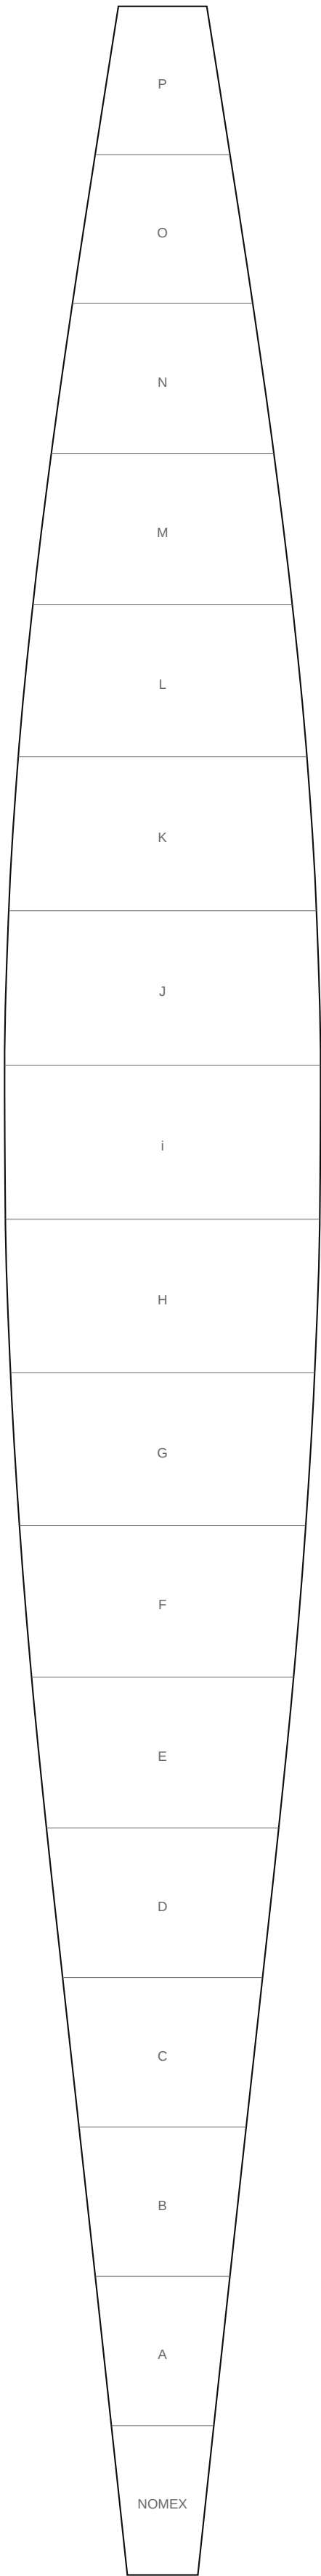

- plain green gore - no features

scale drawing - cut from the 1:1 templates in this pack

GORE 8

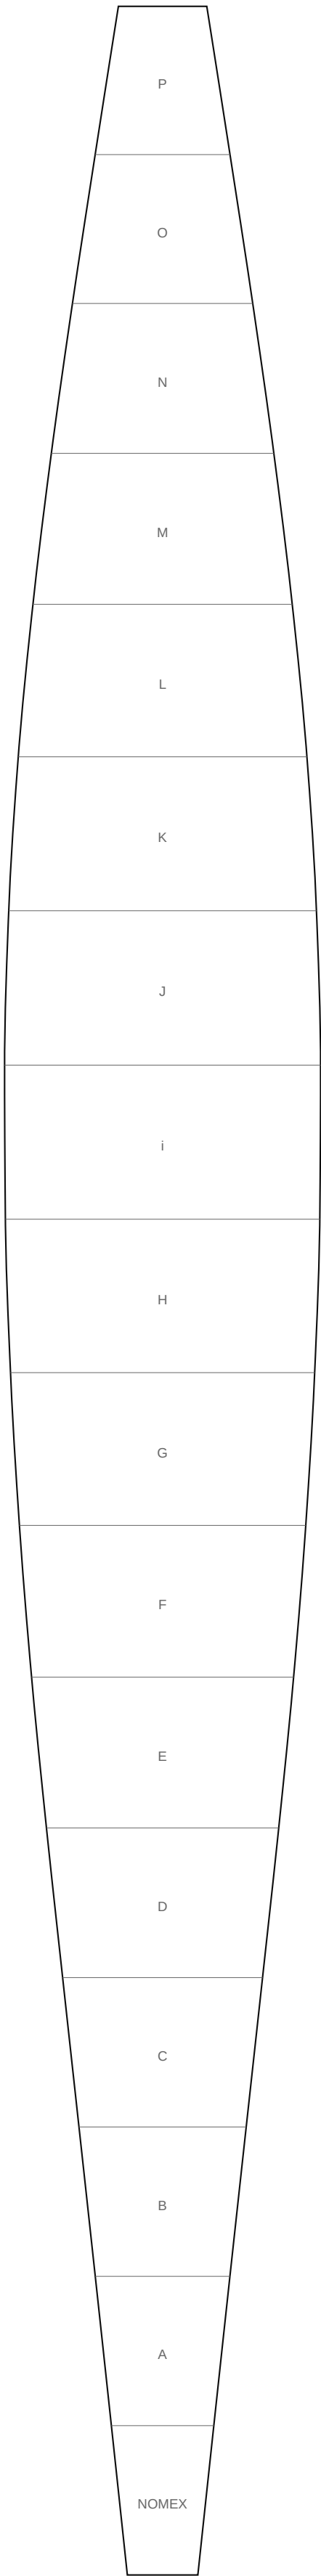

- plain green gore - no features

scale drawing - cut from the 1:1 templates in this pack

GORE 9

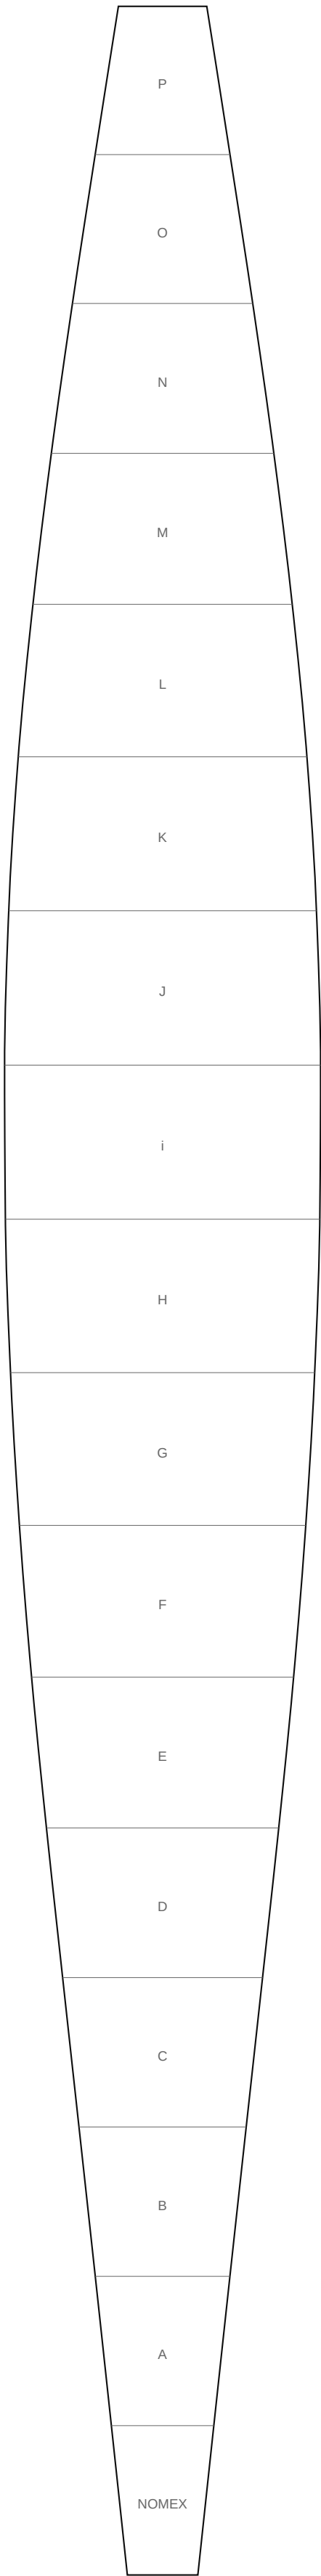

- plain green gore - no features

scale drawing - cut from the 1:1 templates in this pack

GORE 10

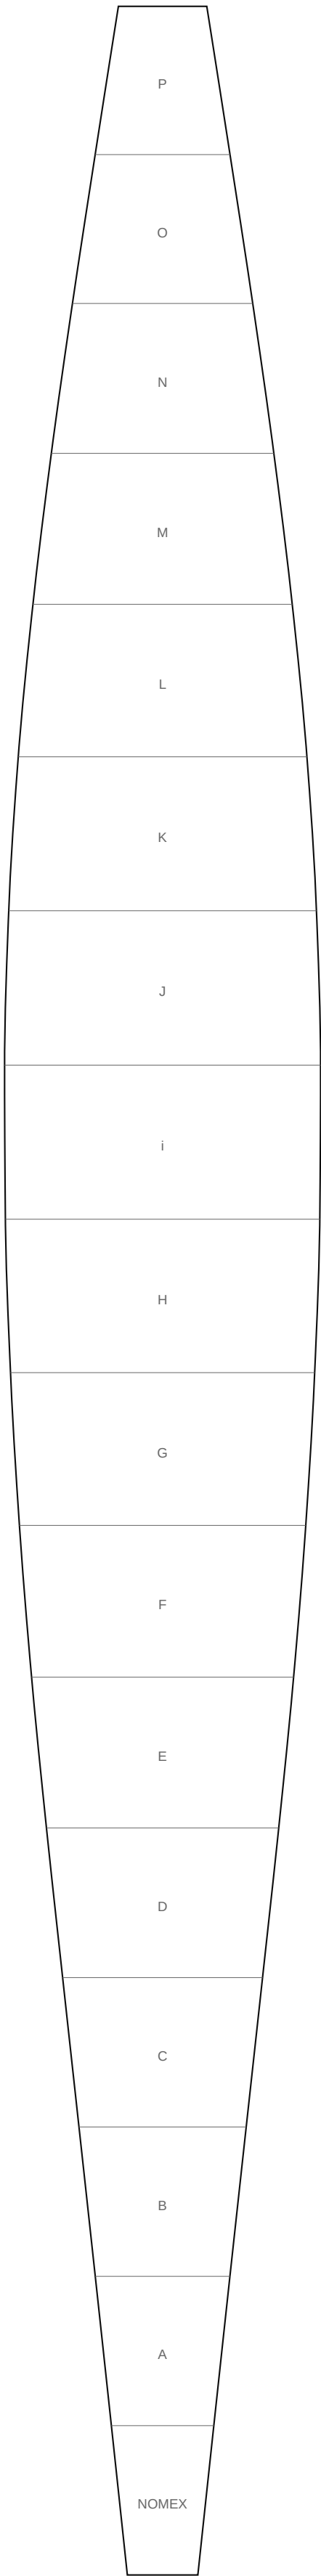

- plain green gore - no features

scale drawing - cut from the 1:1 templates in this pack

GORE 11

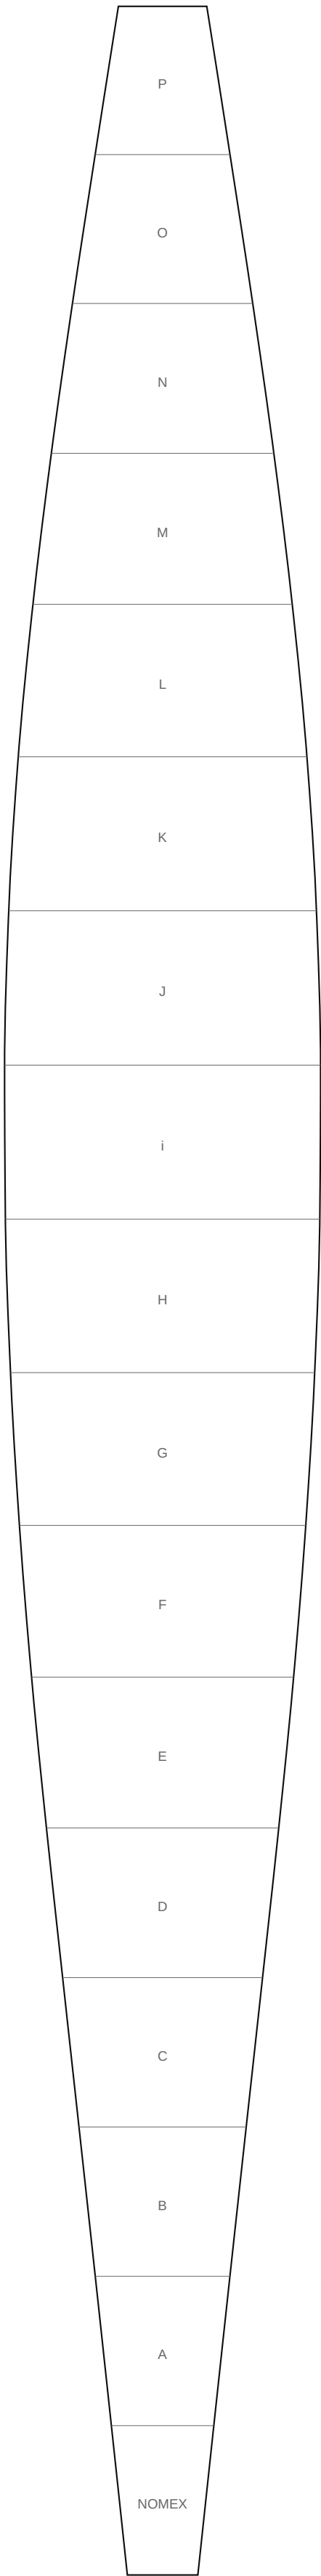

- plain green gore - no features

scale drawing - cut from the 1:1 templates in this pack

GORE 12

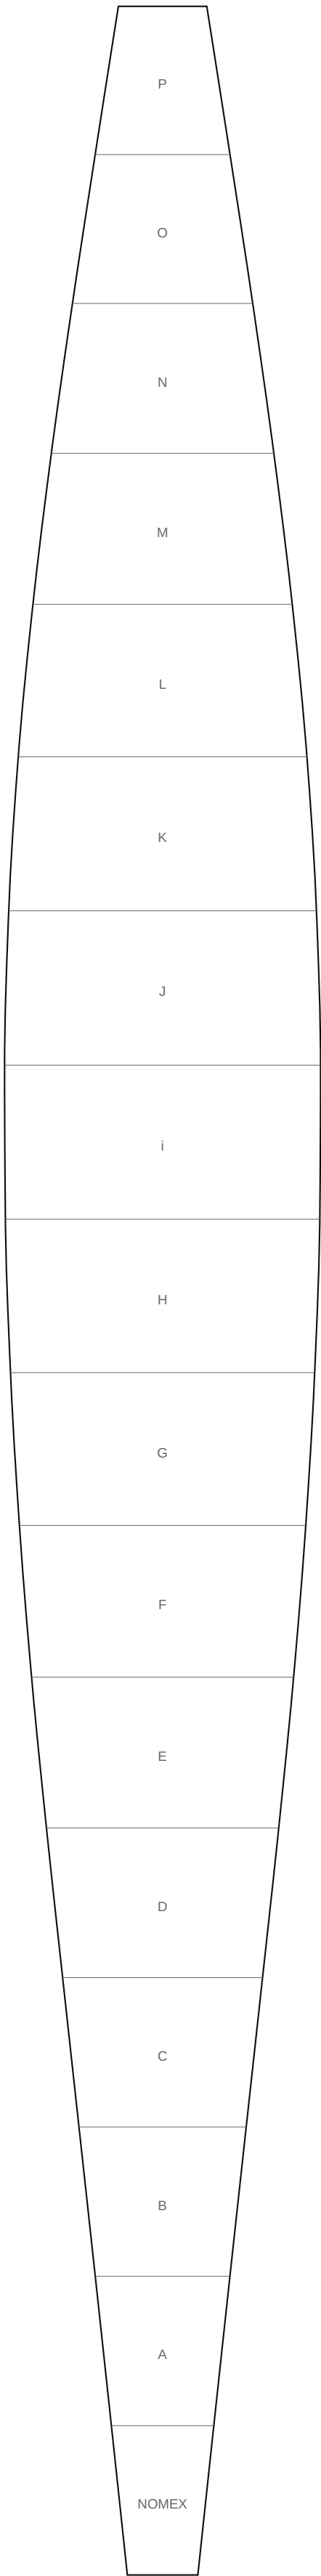

- plain green gore - no features

scale drawing - cut from the 1:1 templates in this pack

GORE 13

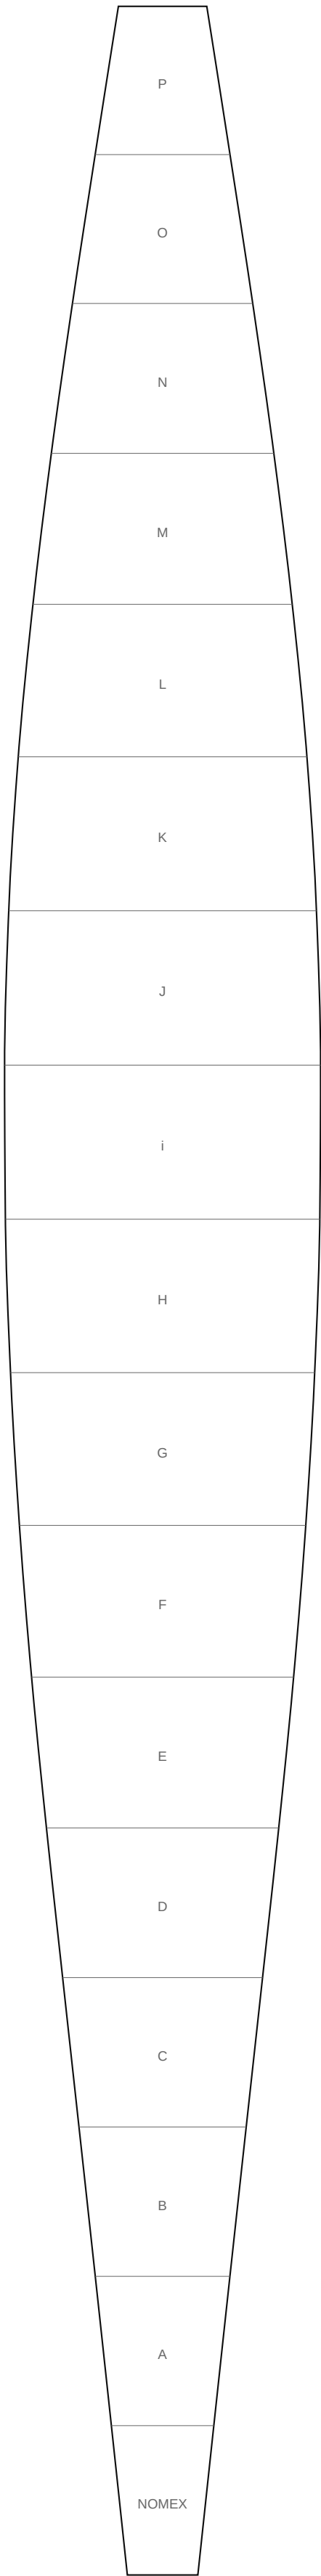

- plain green gore - no features

scale drawing - cut from the 1:1 templates in this pack

GORE 14

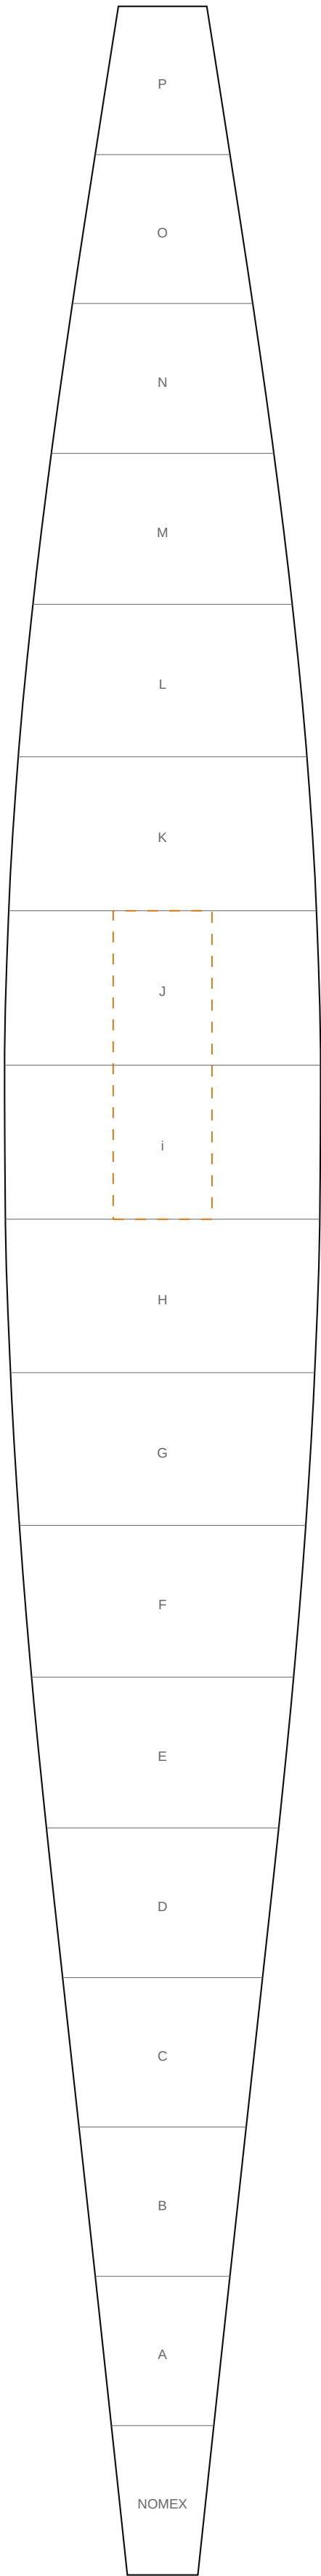

- plain green gore - no features

scale drawing - cut from the 1:1 templates in this pack

GORE 15

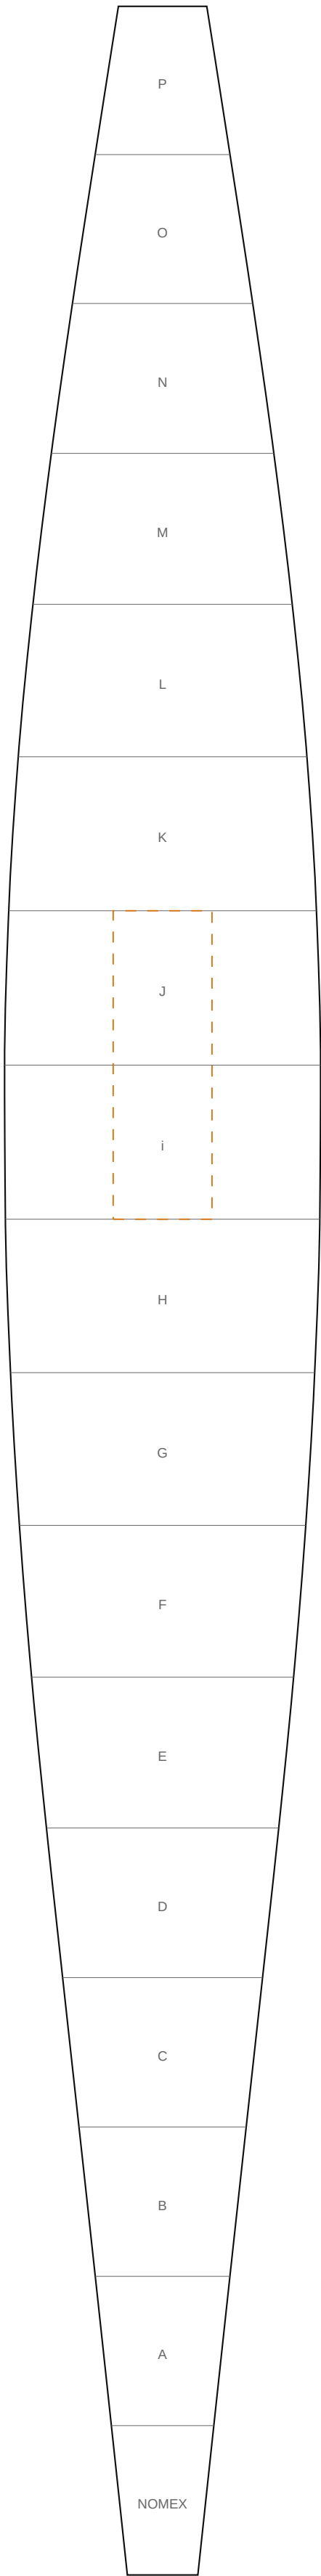

- turning-vent inner unit replaces panels i+J (overlap construction)

scale drawing - cut from the 1:1 templates in this pack

GORE 16

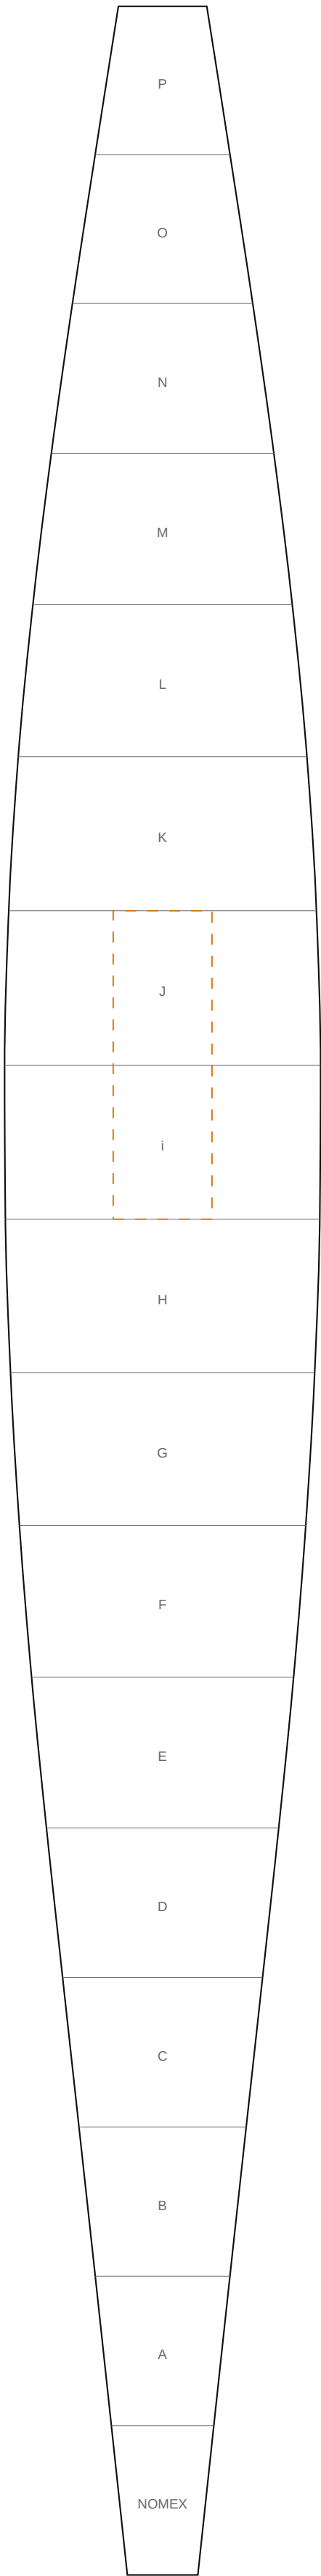

- turning-vent inner unit replaces panels i+J (overlap construction)
- gore 16 = vent centerline (left side, face up)

scale drawing - cut from the 1:1 templates in this pack

GORE 17

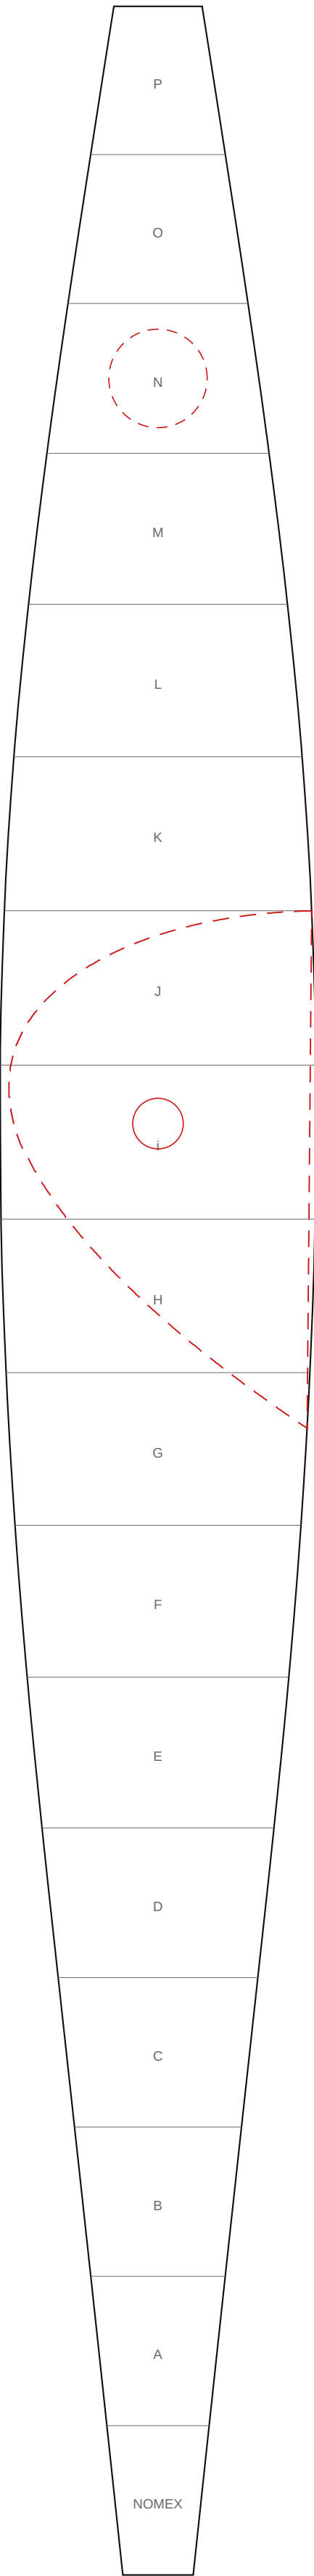

- turning-vent inner unit replaces panels i+J (overlap construction)

scale drawing - cut from the 1:1 templates in this pack

GORE 18

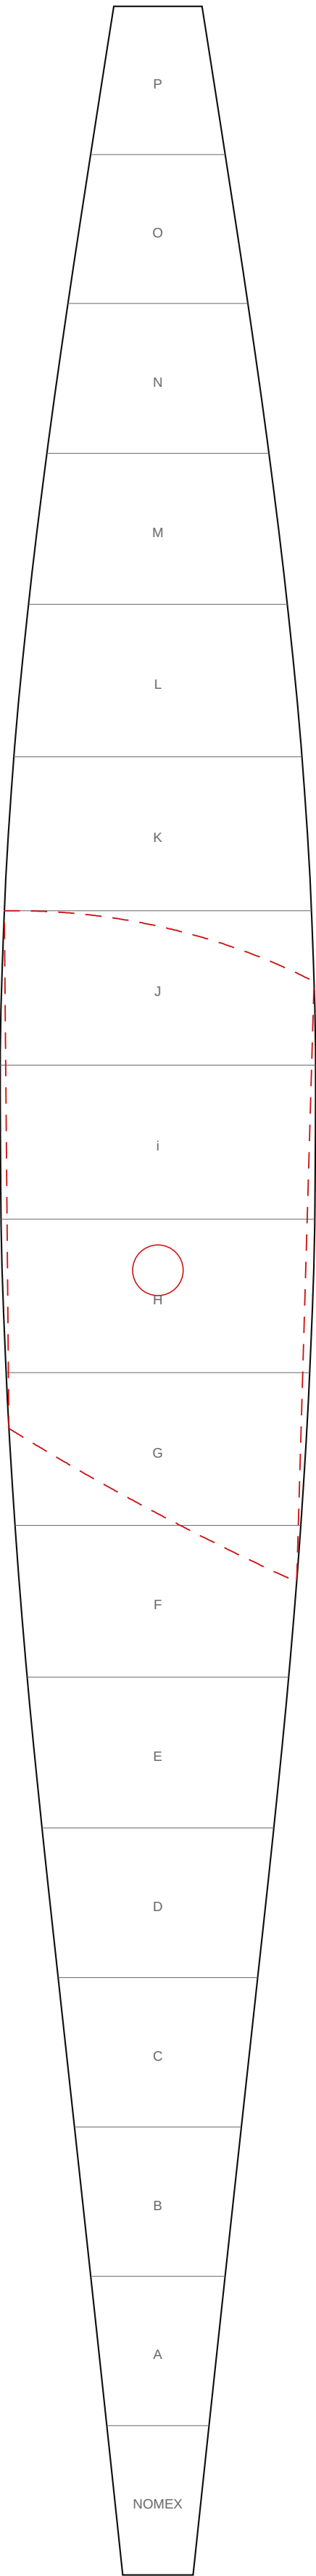

- LEFT eye pod rows F-J
- eye feed hole: panel i, 850 mm up, O450/O500
- antenna base row N: patch O875, hole O575/O625, lean 35 deg outboard

scale drawing - cut from the 1:1 templates in this pack

GORE 19

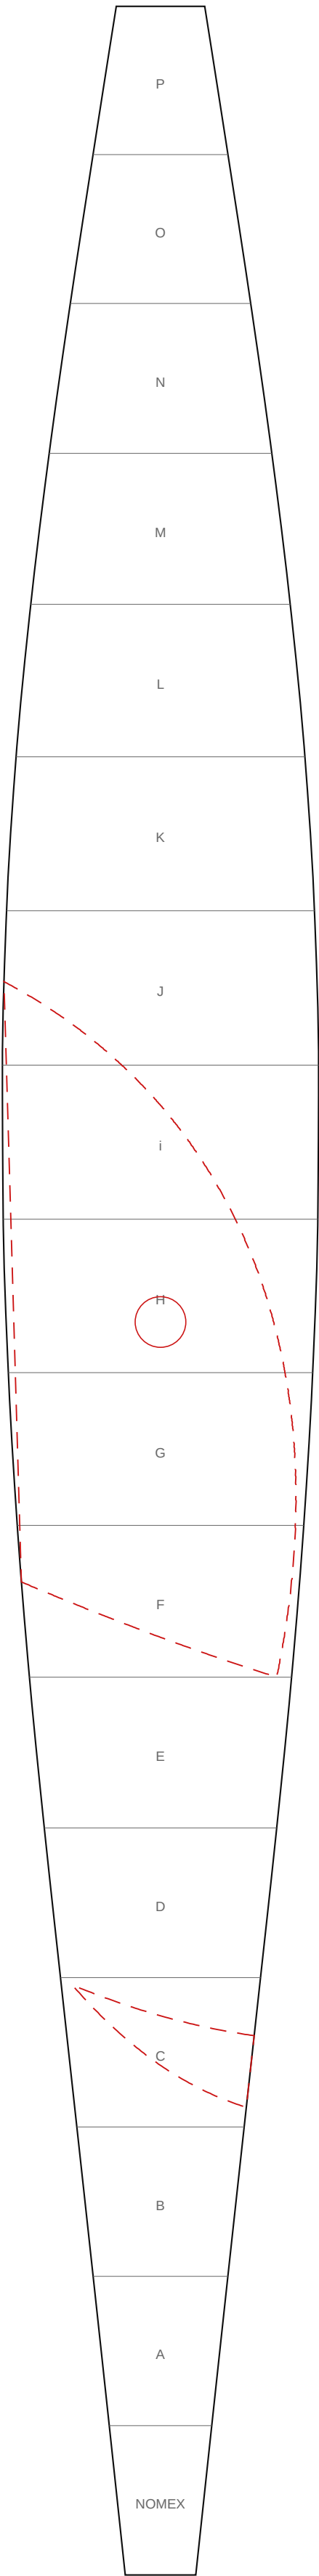

- LEFT eye pod rows F-J
- eye feed hole: panel H, 910 mm up, O450/O500

scale drawing - cut from the 1:1 templates in this pack

GORE 20

- mouth crescent end piece on panel C
- LEFT eye pod rows F-J
- eye feed hole: panel H, 450 mm up, O450/O500

scale drawing - cut from the 1:1 templates in this pack
